

MITACS ACCELERATE

ACCESS TOP RESEARCH TALENT

Mitacs Accelerate supports collaborative research between for-profit or approved non-profit organizations, interns, and faculty supervisors at Canadian postsecondary institutions. You get cost-effective access to university researchers and resources and a consultative project plan.

WHO IS ELIGIBLE?

- Businesses and approved not-for-profit organizations operating in Canada, including select Crown corporations and student-led start-ups
- For-profit businesses outside of Canada
- All sectors and academic disciplines
- Interns: students at colleges and polytechnics, and graduate students and postdoctoral fellows at universities

A FLEXIBLE AND SCALABLE OPTION FOR ANY ORGANIZATION

- Applications accepted anytime
- Evaluation completed in 6–8 weeks
- Projects can be as long as you need (minimum of 4 months)

AN AFFORDABLE RESEARCH INVESTMENT

- \$15,000 in research funds for each \$7,500 invested. Funding scales to project size.
- Project contributions may be eligible for SR&ED credits

Mitacs Accelerate is a national research internship program that has supported over 10,000 collaborations since 2003.
